Unique And Decorative Wall Hanging Tapestry

Tapestry is a hand woven or machine made fabric that is often used in wall hangings. However, these are also used in throws, cushions and other accessories. It is known for beautifully prepared pictorial designs. It is also known for attractive depiction of different facets of life. Wall hanging tapestries are an art lover's delight. It is a reproduction of noted paintings by renowned painters such as Vincent Von Gogh and Claude Monte. Tapestry is an aesthetic piece that can be used in many ways. It is used for religious, artistic, and decorative purpose.

Wall hanging Tapestries allure everyone, who possesses interest for fine arts. Those who love paintings and other artefacts love to hang tapestry of all sorts. Interior decorators treat tapestry as an excellent home decorative idea as these exude elegance and serenity. Tapestries wall hangings are cherished as heirloom.

Tapestries can be divided into different forms.

Medieval wall tapestries: **Medieval tapestries** depict Middle Ages of European history. These are noted for depicting early state of renaissance period.

Religious Wall Tapestries: These depict religious themes such as birth, crucifixion, and resurrection of Christ. These are kept in churches and prayer rooms. These are treated as a mark of reverence.

Bayeux Wall Tapestries: If you love historic scenes, then these are for you. It is a sub genre of Belgian tapestries. Unlike other forms of tapestry, Bayeux is woven in woollen yarn. **Bayeux tapestries** are known for their depiction of Norman Conquest. Norman conquest is an integral part of English history. Bayeux wall tapestries portray King William and his valiant knights.

European Wall Tapestries: These are prepared by craft persons, who belong to the traditional centres of fine arts such as France, Germany, and Belgium. European tapestries wall hang hangings are imitation of masterpieces by Leonardo Da Vinci, Vincent Von Gogh, Claude Monte, and other maestros. These depict the historic and social events related to Europe.

Medieval Tapestries Wall Hangings

Medieval tapestries are art forms of the Renaissance and the arts and crafts period of the middle ages. They are basically an art form expressed through weaving. Medieval tapestries were woven on plush fabric for hundreds of years by various cultures. The Greeks and Incas in particular used to bury their dead with hand woven tapestries and ancient Greek civic buildings were also adorned with tapestries on the walls. However, the introduction of this art form was done by French medieval craftsmen.

Medieval tapestries have a rich and gorgeous look and more than that they carry the culture and happenings of the then age. [Tapestry wall hangings](#) have become very popular and they are great ingredients of home décor. The medieval tapestries are durable and can be easily maintained. Most of the tapestries in middle ages were made of wool. Durability and strength of withstanding pigmentation and dyeing made them a popular choice for investment.

Wall Hangings For Home Decoration

There is a new trend emerging in the world of interior decoration in recent years. People have started realising that a simple decorative wall hanging placed in and around their living rooms can completely change the attire and the character of the rooms. These decorative wall hangings are available in different shapes and sizes and each variety has its specific name to select from.

Normally they are selected on the basis of taste of the house owner and match the colour and the form of the particular rooms. Since each house has its own specific character a decorative wall hanging created in the form of a tapestry or any other decorative form, they look great and enhance the ambience of the rooms.

Tapestries are one of the most popular forms of decorated wall hangings that have been traditionally placed in the homes of aristocrats and noblemen in earlier ages and are created on textiles by weaving beautiful pictures of beautiful nature scenes and images of historical or mythical events on them. Threads of cotton, silk, wool, gold or silver are used for weaving eloquent pictures on a thick linen base. It is a traditional form of art where both art and craft is blended to create beautiful effects.

In a modern home, the need for decorating the living room or a bedroom wall is as vital as the furniture that are placed in it. The home décor websites that display all the important information about the decorative wall hangings and tapestries in particular speaks volumes about it. There are different forms of decorative wall hangings available today, and they can vary by its designs and colours and the images that are woven on it.

Sometimes the **decorative wall hangings** that are used for interior decorations or home décor are made on a particular theme. It can depict geometric or floral designs or can be based on some biblical stories or an event from the history. They can be customised according to the home decor requirements of the particular house or the office where it is supposed to be placed.

These decorative **wall hangings** like the tapestries are made with the use of appliqué, thread work or by embroidery. When images are woven applying these methods on silk or cotton or rugs the end result is generally outstanding. www.tapestrycatalogue.com provide all the varieties that the customer looks for.

Wall Hanging Tapestries

Tapestry is a kind of textile art which is hand woven with the help of a vertical loom. It is so finely woven that one cannot distinguish between the threads that are used, once it is done. Thus, a colorful and attractive image is formed. Generally, cotton or linen threads are used by the weavers. Cotton, wool, silk, silver and gold threads are the weft threads that are used. There are several kinds of tapestries that are available such as medieval tapestries, Asian tapestries, traditional tapestries, contemporary tapestries and many others. You simply have to choose the one according to your preference from the wide-variety of sizes and styles of tapestries that are available.

Tapestries add a traditional touch to the contemporary homes in the present scenario. There are also [wall hanging tapestries](#) that are used to adorn the walls of homes and offices.
